"THE WIN"

Just one family has enjoyed "The Win" over the last 45 years and now it is time to pass on the batton to the next nature loving owners of this property perched high above the clouds overlooking the whole Tweed Caldera! The family memories created here in this sumptuous space include the magical sight of thousands of fireflies in the yard of an evening every September with the sound of whipbirds washing up the valley to herald a new dawn each and everyday in this setting which can only be described as a new found "Gondwanaland" The amazing variety of birdlife and native fauna you share this beautiful space with is astounding. Watch the storms come in over the valley below from the safety and comfort of your multiple decks as you enjoy a micro climate that sees you 5 degrees cooler in summer and 5 degrees warmer in winter than the valley dwellers. This truly is a magical place. Yes, theres a very loved and comfortable off-grid family home to enjoy too but its the experience of being at one with nature in this unique position of 300mtrs above sea level that gets you in....You feel like you are flying. The ever-changing views need to be seen to be truly appreciated from your secret hideaway from the madding crowd, yet just 15 minutes to Murwillumbah and 25 minutes to Currumbin in QLD! The best of all worlds! Dont play your cards close to your chest...breakout...come and see it and be amazed!
