ANOTHER BUDERIM PROPERTY SOLD BY TRUDI GOWER

Yes, this home is so big you will need a map to find your way around! The owners have packed their bags so you can move straight in and revel in all this magnificent home has to offer. Boasting 6 bedrooms all with built ins, three bathrooms, a great kitchen overlooking the huge pool, dining and living zones, media room and big rumpus room. This home would welcome guests, extended family or spark the entrepreneurial side of you if you converted the downstairs rumpus with separate entry into an office for a home based business.

The design is a modern Coastal Queenslander. Wide timber decks feature to the rear of the home and overlook the pool and rear garden; whilst the verandah to the front has a view of the parkland across the road and the resident kangaroos.

The established gardens, flat lawn at the rear to kick a ball and sheer majestic presence of this home will impress you. It is light, airy and captures the breezes.

To the side of the property, there is also ample access and room for a caravan, a boat and a camper trailer or that extra family car or two! Great storage under the house and throughout the home would hide all those extra necessary accessories
