NEW RESIDENCE WITH ALL-ELECTRIC INNOVATION

Crafted with precision by award-winning builder Costas Constructions, this brand-new all-electric residence combines sustainable innovation with luxurious comfort. Powered by a solar system, the residence embraces energy efficiency without compromising on style or sophistication. Individually titled and boasting its own street frontage and driveway, this double storey residence redefines low maintenance living.

Inside, timber-look flooring, plush carpet and sleek tiling adorn a well-conceived floorplan. Awash with natural light, the open plan living and dining room is a hub for socialising, anchored by a kitchen with Westinghouse appliances, stone countertops and tiled splashbacks. From here, stacker doors slide open to a landscaped garden, where a paved alfresco area is canopied by an open pergola. The ground floor also hosts a powder room and a full-size laundry with garage access.

Upstairs, three bedrooms with sliding built-in wardrobes are serviced by two well-appointed bathrooms, including a master suite with an ensuite.

Adding to the appeal of the residence are double-glazed windows, ducted heating and air conditioning, a walk-in storage cupboard, a water tank with a pump, a shed, a clothesline, a single garage with a remote-controlled roller door, plus a driveway parking space.

A convenient location complements this stunning residence, situated within walking distance to bus stops, reserves, Blind Creek Trail, local shops, Cooinda Preschool Centre and Knox Central Primary School. It is also only a short drive to Fairhills High School, Wantirna College, St Andrews Christian College, The Knox School, Swinburne TAFE, Westfield Knox Shopping Centre and EastLink.
