SHE'S A SOLID STEPPING STONE!

This much cherished, early century cottage has been a generous asset for our sellers, and although this is a heart-felt sale; its imminent. First home buyers, downsizers and investors; we are talking to YOU!

Firstly, we are 100% flood free and are on an easy to maintain allotment of 379m² (approx.). We know first home buyers and tenants don't generally enjoy maintaining large lawns, so this one is a perfect size for our ideal buyer. With the house positioned close to the front boundary, access is super easy with only a couple of small stairs to navigate. Living is easy here.

Secondly, we have been fully renovated. With continuous improvements over the last 10 years, this period-style cottage, with gorgeous high ceilings and hilltop-breezes, has transformed, and is move-in-ready, with a cool balance of old meeting new.

She's been painted inside and out, boasts a modern bathroom, spacious country kitchen, and that deck is a great place to share drinks and dinner. We have all the modern features such as fans, air conditioners, the dishwasher, downlights, sliding windows, blinds, a built-in robe, easy-care flooring and the list goes on...

Back yard access is granted down the side of the home where there is a lock-away carport and extra storage. The welcoming yard offers a garden shed, a raised veggie garden and a quality shade sail perfect for protecting children from the sun as they play.
