Lot 15 & Lot 16 in Deposited Plan 21399, make up 342 Oliver Street, Grafton. This 2-title property is one of the highest points of Grafton being in the far Western corner of the town. Ask the Elders of yesteryear, and they will proudly confirm that this position has successfully fared the largest of floods, pre-levee.

Historically FLOOD-FREE, this quarter acre allotment is not only great bang for your buck regarding location and size, its also a private sanctuary. Established trees ensure no neighbours are to be seen through windows or from within your yard. The life of the rich and famous is to protect your privacy. That's one of our greatest features.

I wonder how many martini parties were hosted around the cheese fondue, with devilled egg canapes in hand?

Retaining all the radiance of her era, this time capsule home has been restored, yet gently modernised where required to balance charm and functionality. A home of generous proportions, the floor plan is light-filled and interchangeable. There are literally several areas you can spend time in from the formal living area, the room currently used as a study, the media nook, the long deep living/dining space, the undercover alfresco area overlooking the pool, the yard or the courtyard BBQ area. The heart of the home being the kitchen is the newest addition just a couple of
