Mainly hosted through Airbnb (see Airbnb for further details), our accommodation is popular with locals, mid-week work stays, a night stop-over during travels, or short visits to explore the Clarence Valley. Suited to couples or singles only, each room is self contained including a small kitchenette, ensuite bathroom and queen bed. The rooms are very secure and the tariff includes Wifi, a smart TV, air conditioning, fans, power and water.

Onsite managers are available to ensure house rules are maintained, such as quiet hours between 9pm and 7am in respects to all of our guests. This accommodation is not approved for long-term accommodation.
