

FOR SALE

1 ACRE BLOCKS AT AFFORDABLE PRICES

Kylie Toole @ Realty Nanango would like to present these great 1 Acre blocks at fantastic prices.

This new development called Heartwood Estate, sits just on the outskirts of Nanango town. 1 Acre blocks are a great size for those wanting a large enough block to have privacy, a nice home and big shed etc, vege gardens, chooks and plenty of room for pets.

Stage 1 blocks are ready to be sold. The blocks have a rural atmosphere with established native shade trees on most blocks. All power is 3 phase and runs underground with street lights installed. NBN is right to your door. The photos show lots 6, 14 and 21 as examples, but you can choose any block you like that is not already sold. You can organise your own builder, be an owner builder or relocate a removable home. If you want to have a house and land package where the builders are ready to meet with you then you can do this too. The choice is yours. I live in Nanango and love the lifestyle so am happy to meet you on site and show you around. Give me a call on 0409 623 473 to book your inspection.

Lot 21 is \$199,000

Lot 6 is \$220,00

Lot 14 is \$222,000

Prices overall range from \$179,000 to \$295,000 depending on which block.

About Nanango.

Nanango is a thriving rural community only 2.5 hours from Brisbane and the Sunshine Coast and 1.45 hours to Toowoomba. Everything you need for a great life is here including public and private schools, Golf Club, great hotels and motels, a very active RSL, Aquatic Centre with heated hydro pool, chemists, doctors, IGA grocery store, a hardware store, very popular bakeries and newsagent just to mention a few. Plus plenty of trades people with great references and work ethics. Sporting Clubs are all very active and there is always something on at the Nanango Showgrounds including a very large market on the first Saturday of every month. Equestrian groups, dog training groups, the wonderful Rail Trail for cyclists, horse riders and walkers. Fishing and water sports are catered for on the large recreational dams. It's all here.
