"LUXURIOUS 5 BED, 2 BATH FLAGSTONE OASIS ON 2.5 ACRES WITH BALCONY, OUTDOOR AREA, WORKSHOP & SOLAR PANELS!"

Welcome to your dream home in Flagstone, a hidden gem in Queensland, Australia. This stunning 5 bedroom, 2 bathroom house is situated on a massive 2.51 acre land, giving you the ultimate privacy and space to live out your wildest dreams.

As you enter this property, you will be greeted by a grand entrance with a sweeping driveway leading up to your very own piece of paradise. The lush green surroundings and the tranquil atmosphere will immediately make you feel at peace and at home.

The house itself is a masterpiece, boasting a spacious floor area. The large windows and high ceilings flood the home with natural light, creating a warm and inviting atmosphere. The open floor plan seamlessly connects the living, dining, and kitchen areas, making it perfect for entertaining guests or spending quality time with your family.

The kitchen is a chef's delight, equipped with modern appliances and a dishwasher, making cooking a breeze. The built-in wardrobes in each of the 5 bedrooms provide ample storage space, while the study and workshop offer the perfect spaces for those who work from home or pursue hobbies.

But what truly sets this property apart are its outdoor features. Step onto the balcony and take in the breathtaking views of the surrounding nature, or host a BBQ with friends and family on the outdoor entertainment area. The fully fenced yard offers a safe haven for your children and pets to play freely. And let's not forget the 8 secure car parks, ensuring that you and your guests never have to worry about parking.

For those who love the outdoors, this property has plenty to offer. The sheds are perfect for storing your tools and gardening equipment, and the vast land gives you the opportunity to create your own dream garden or even start a hobby farm.

But that's not all, this house is also equipped with eco-friendly features, including solar panels and split system air conditioning, helping you save on your energy bills and reducing your carbon
