1 BED APARTMENT - LEVELS 4-12

27-11-12

This plan is indicative of the proposed dimension, design and layout of the unit. The seller may, in its absolute discretion, change the final design and layout of the unit. For example without limitation, the location and size of any internal area or room may be different to that indicated. Area Measurements: Areas noted on architectural plans are generally measured to the centre line of common walls and the outer face of the wall adjoining internal areas, including, where applicable, balconies, courtyards and external access passages. Area also include the areas of ducts that fall within the outer walls of the lot. Areas shown on draft building formal plans included on all individual apartments may differ from areas on architectural plans due to different methods of measurement. Loose furniture and fittings are for artistic purposes only.

Disclaimer: Please note this floor plan is for marketing purposes and is to be used as a guide only. All dimensions are estimates only and may not be exact measurements.
