

32 BLACKMORE AVENUE LEONGATHA

FOR SALE

A VERY SOLID STARTER.

Yes, this home may need bringing up to date a little, but she was built back in the day when homes were built to last and is a solid first property! If you're looking to beat the rental rut or move away from those pesky parents, your inspection is invited.

The home features a lovely established front garden, neat and sizeable back yard plus dual access to two single lock up garages either side of the house.

There are three bedrooms with BIR's and some views of rolling hills from the elevated position. The kitchen has good storage, a side by side hot plate and oven plus a R/C air conditioner.

A separate living area overlooks the garden and there's also a family/toy room space at the rear of the home that's handy to the back yard for indoor/outdoor living. Perhaps some potential here to create an entertaining area with sliding doors and a deck for those summer BBQ's with friends? The bathroom is well appointed to the bedrooms and contains a separate shower and bath.

The yard is secure and has some garden shedding and a water tank.

Located within close proximity to the rail trail, park and the centre of town, this is great place to begin your real estate journey.
