

**SOLD**

## RARE VACANT 2 ACRES

Want Sold on your property? Carolyn Drane Acreage & Lifestyle Property Specialist presents this Hot Hot listing. Well actually it's sold now but it was a real Diamond in the rough but as there is no acreage around here now, it has proven to be a great buy for the new owner.

High and dry 2 Acres with large colour-bond Shed approximatey 12m x 6m.

Easy access to Bribie Island, Godwin Beach and Caboolture. Great place to build with power & water avail.

Rare opportunity to obtain a block that is not affected whatsoever by any flooding. Selectively treed, fenced down 2 sides.

There is stuff that the owner needs to remove off the block but please look past that, as it will be removed. This is a great property. Book a walk over with me and you will see this is great value.

Build your dream home just the way YOU want it.

Acreage is getting harder to get in this location. Bring the horse, the kids, the trail bikes. This is great living only 10 mins to Bribie Island Beaches.
