This 3 bedroom home has spacious bedrooms and all have built in wardrobes, The Master bedroom is spacious, it has new carpet and an air conditioning unit and ceiling fan plus a large 3 door wardrobe . The carport is being used for 1 car but could perhaps ( dependent on size) accommodate a 2nd car.

The outdoor blinds are also fairly new. There is a small deck area off the living area. For the Chef of the family this kitchen has a new gas cooktop, and a new oven and the cupboards are plentiful. The bench space is great for entertaining and easy preparation of food. A small dishwasher is provided for busy times for easy cleaning. The kitchen is positioned adjacent to the dining area and lounge area - definitely open plan.
