PRIVACY, VIEWS, RAINFOREST

If you are looking for peace, privacy and views and still want to be less than 10 minutes from Gympie then you need to check out this unique, diverse and picturesque property.

47.8 acres (19.36ha) which has panoramic views over the Mary River or your own private valley. You have a flat area planted to improved pasture, hardwood forest with some excellent pole timber and some huge old Spotted and Grey Gum trees. There are areas of lush rainforest with a moss covered rocky creek with seasonal waterfalls.

Water is supplied by 4 dams (one of which is spring fed and equipped with a diesel pump, which pumps to an elevated 5000gal header tank). Terraced cultivation area would suit Bananas or Paw Paws, which has rich soil and is warm, frost free and north facing.

There is a farm shed and a picnic table to take in those views. You might see the occasional deer running around. This amazing piece of paradise is set on a quiet no through road. Check it out today!
