"KARANGAHAKE OPPORTUNITY"

Here is a fabulous opportunity to build your dream home in your dream location!

This 1074m2 section is flat to sloping with a country outlook and provides no covenant options for building new in a country setting.

Although some infrastructure is required, the section lends itself to living off the grid, great for tiny home living, plenty of space for gardens, fruit trees and the odd pet with all day sun beaming down.

With only 8.7kms from Paeroa town, the local Karangahake Community Hall and the Hauraki railtrail just down the Hill, this property is situated in the heart of a great lil country community ripe in history. The domain and community garden is nearby on County Road and is shared by many locals and visitors.

If your thinking country living and want to create your own lil paradise then call me today for an inspection.
