PROTECTED VIEWS TO MORETON ISLAND!

Must Be Sold - Approx. 200sqm in size!

'Proximity' apartments are situated right opposite the waterfront at the northern end of the Redcliffe CBD and only a few steps from sandy beaches, walking paths, restaurant's, cafes and clubs.

Unit 304 boasts a unique fit-out, as requested by the current owner during the off-the-plan purchase. This has allowed for an opulent 'personal use' area, whilst still reaping the benefit of high demand short term accommodation.

Beautifully furnished and with approximately 200sqm of living space, this huge apartment is ready to move straight in, or be retained as a solid performing investment.

Email or call me for a complete list of the on and off-site features.
