PERFECTION ON THE POINT.

Elegantly composed, this immaculate home fuses period charm with modern updates and relaxed easy-care convenience while not compromising on space. Occupying a level 539sqm parcel of land, the interior and exterior have been rejuvenated with expertise and flair and whilst currently offering ample accommodation for both families and downsizers alike there is also potential to add a second level if required and unlock spectacular views, (subject to council approval).

Sporting classic architectural design, this freestanding brick home embodies a selection of casual and formal living spaces that engage with a wonderfully private and north facing outdoor entertainment haven amid a level garden setting.

Inspection is a must for those seeking first class quality in a truly blue ribbon locale. Enjoying all the amenity Scarborough is renowned for with the boat harbour and marina precinct, transport, quality schools, parks, shopping and easy access to both domestic & international airports and Brisbane CBD.
