AS NEW - 150M TO THE BEACH!

It's the over sized lounge and dining room in this first floor, north facing unit that is sure to impress those after a spacious, free-flowing living area. The adjoining balcony is positioned perfectly to capture the Bay breezes and also offers access from the master bedroom.

Stone bench-tops and stainless steel appliances, including dishwasher, compliment the well proportioned kitchen.

Currently tenanted at \$395/wk, this larger than average unit will appeal to both owner-occupiers and investors seeking a solid return from a near-new, low maintenance development.
