EAST OF OXLEY - QUEENSLANDER!

This hi-set colonial workers cottage is full of character and located only meters to the Woody Point Village, jetty and foreshore. Such architecture is rare on the Peninsula and combined with an East of Oxley position, ensures strong demand both now and in the future.

Features include;

- New kitchen
- 2 way bathroom has been modernised
- Additional powder room
- Separate lounge, dining and good size sleep-out/sitting room
- New plumbing & wiring
- Outdoor room, screened for year-round entertaining
- Hi-set, built-in underneath for storage, workshop, garage & laundry

If it is a character home in a premium 'lifestyle' location you are after, don't delay, call or email Mike to book a viewing today.
