FUNKY BEACH HOUSE - FULLY RENOVATED!

RAISE ME UP FOR WATER VIEWS!

This is a great location - a short walk has you right in the heart of the Margate CBD, with shopping centre, medical precinct, gym, restaurants, schools and sandy beaches all close by.

Elevated positions offering potential water views are rarely offered on the Peninsula, but 51 Ewan St offers just that. With glimpses of the Moreton Island sand dunes already captured whilst cooking your BBQ on the back deck, this immaculate property offers potential to raise and capitalise on the Bay views available.

Features include;

- New kitchen
- New bathroom
- New floor coverings
- New paint, inside and out
- Side access to garage/man-cave
- Complete roof restoration
- Air-conditioned + ceiling fans
- Solar power

Forget renovating - reclaim your weekends and enjoy all that the Peninsula has to offer! Call or email Mike for further information and book your inspection today.
