750M TO THE WATERFRONT!

This classic family home offers huge potential to raise for water views across Bramble Bay to the City lights of Brisbane. Located only minutes to the new Ted Smout Bridge and City/airport access, the lifestyle offered by this location is second to none, with the waterfront and boating facilities at the end of the street.

Features include;

- Huge 764sqm block with massive garage and workshop
- New roof
- Timber floors and period features throughout
- Entertaining pergola
- In-ground pool
- Side access
- Shops, Schools, medical centre & golf course all close by

This is a larger than average block in a sought after location with a great tenant currently in place. Contact Mike for further information and to arrange an inspection.
