THE BALCONY TO END ALL BALCONY'S!

Peel back the bi-folds to bring the outside in. With 55sqm of cleverly designed outdoor entertaining area that enables year-round all weather use, this unit truly offers a unique waterfront lifestyle experience.

A huge master bedroom with walk-in robe and large ensuite, a lounge/dining area large enough to offer flexibility of furniture placement and 2 other bedrooms with built-ins, will all help to make the transition from the family home to low maintenance unit living as seamless as possible. A separate laundry, main bathroom and separate powder room all add to the livability.

It's hard to put a price on the lifestyle on offer, with every conceivable service within a short distance plus an award winning golf course, bowls club and countless aquatic activities all contributing to a new way of life at Point Plaza Woody Point.

Call or email Mike for a floor plan or to arrange an inspection today.
