150M TO THE WATERFRONT.

Options aplenty with this one.

Renovate - raise for water views - build-in underneath or maybe remove and rebuild altogether. Located only 6 properties from the Woody Point waterfront, offering sandy beaches, acres of green parkland, playgrounds and picnic areas, bike paths and boat ramps - this is a sought-after location that epitomizes Peninsula Living!

The current cottage is very neat and tidy - has an air-conditioned living room with a new Colorbond roof and back to grid solar power, side access to a lock-up shed, a single carport and an outdoor undercover area. It's not beyond a renovation and is neat enough to live-in whilst you complete.

Don't delay, call or email Mike to arrange a private inspection today.
