759SQM WITH SIDE ACCESS.

If a large block of land with access to your backyard and large shed is a priority when finding your next home, then have a look at 18 High St, Kippa-Ring.

The location is central to Kippa-Ring shopping village, public transport, the Redcliffe Dolphins Leagues Club and Retail Precinct, primary and secondary schools and not far from the Redcliffe waterfront and CBD.

Being positioned close to a commercial area would offer great exposure for a home-based business or tradesperson. Further development options may also be worth investigating with the Moreton Bay Regional Council.

The home is 'move-in ready' but far from perfect and the hardwood timber frame and flooring offer the perfect bones to renovate when your budget allows.

Priced in the sweet spot for investors, renovators and those looking to get into the market - we suggest you make contact today to schedule an inspection.
