THE PERFECT INVESTMENT.

Positioned perfectly on the high side of a quiet street in Margate, this low maintenance brick and tiled home will tick a lot of boxes for both owner-occupiers and investors with a long-term tenant in place and happy to stay on.

Internal features include a split system A/C in the lounge area, ceiling fans in all rooms, and a kitchen and dining area that flows through to the covered outdoor entertaining area.

Externally, 632sqm of land offers heaps of potential to add a pool, large garage/workshop, or perhaps even a granny-flat - there is plenty of room for kids and pets to play in a safe and secure environment.

The location is central to schools, shops, medical facilities, public transport and the Margate Beach waterfront is a short pushbike ride away!

Don't let this one slip away - the owners desire for a sale has been reflected in the price. Contact Mike today to schedule an inspection.
