RARE LAND IN WOODY POINT.

Vacant land, within walking distance to the waterfront at both Woody Point Village and Scotts Point, is a rare commodity indeed.

Shops, cafe's and restaurants, schools and public transport are all only a short walk away.

A new home is to be constructed next door and a 'house & land package' is available for this block with 'dual occupancy' plans available if desired.

Dimensions - 10.1m x 40.9m
