BRAND NEW PERMANENT TOWNHOUSE COMPLEX

This complex is an idyllic enclave of premium townhomes situated by the gentle waters of the Hope Island Grand Canal at the northern end of the Gold Coast. The 40 architecturally designed three bedroom townhouses are generously proportioned for contemporary open plan living. The signature quality that this developer provides is evident in the features, facilities and appointments in each home as well as through the development. The complex's sought after location, streamlined facilities, quality of finish as well as the income generated by the caretaking and letting business will spark the interest of potential purchasers of a high end permanent management rights business
