BIG HOUSE, BIG SHED, BIG YARD!!

Finally, some room to move! This lowset, solid brick home has 3 generous size bedrooms with the original lock up garage converted to an office, guest room, games room or even another lounge. With a super sized, central, cedar timber kitchen and servery, there is loads of room for all the family and multiple indoor and outdoor living areas for extra privacy. The main bedroom has the all essential ensuite and all the bedrooms have built in robes and there are ceiling fans throughout the home and aircon to the living and 2 bedrooms. A brand new massive SHED and fly over patio to the home have completed this perfect 946m2 allotment with excellent side access and room for all the toys. Located on a nice quiet street and within walking distance to Mackay Base Hospital, schools, daycare, scenic walks, shopping centres and restaurants, you will love this new to the market, low maintenance home. As the property currently has a few family members staying, some previous photos have been used. However, there has been some extra maintenance done since the pics were taken including: full painting throughout, internal doors replaced, splashbacks, fencing and more. If you are looking for something with extra space, call Jodie now for your private viewing.
