### TWO HOMES FOR THE PRICE OF ONE

Located in Pinewood Grange, this architecturally designed property offers two brand new homes on the one site, joined by a single common garage wall. Each house has its own indoor and outdoor living areas – it is the perfect property solution for a multi-generational family, a home-owner wanting to subsidize their mortgage by renting one home and living in the other, or an investor. These are two truly separate homes on one section, giving you two income streams in one fabulous package.

While "dual-key" properties like this have been popular with investment buyers for many decades in NZ, this is still a relatively unique offering to Rolleston, and such homes are few and far between. Each home is well appointed and sits on a fully landscaped section with generous outdoor living spaces and backyards. The quality extends inside to finishes, fixtures, fittings, appliances, heat pumps and window/floor coverings.

Set to reflect the builders high-quality reputation, the kitchens are not only the heart of (both) homes but come equipped with cooktops and ovens as well as a range-hoods. Other inclusions are curtains, smoke alarms, fenced boundaries and clotheslines, to name a few. Occupying a prime site in one of Rolleston's newest subdivisions, the "dual key" property is currently under construction and is offered on a fixed price contract with all fees i.e., building consent related, included in the advertised price.

Priced at \$1,070,000, with completion expected in December 2025, there is also the unique opportunity to subdivide this package into two individually titled units prior to settlement. This is a fabulous opportunity for a discerning investor or home buyer looking for a house and income.
