## EURO STYLED BIG FAMILY HOME ON A BIG, BIG BLOCK

This home is like no other you will see this weekend. They don't build them like this anymore.

The first thing you might notice is the wide entry hall and passageway. Oozing comfort and space. Many rooms are bigger than you might expect and makes for an overall feel of both comfort and richness. It's all ready for your future, whether it's raising a family here, or just 'right-sizing' for your own needs and circumstances.

In recent days, this grand home has been lovingly renovated to include a new kitchen, luxurious family bathroom and timber deck. These all make for some perfect enhancements to the already 'good bones' of a solid family home on a full-sized block of land.

The light and bright kitchen features:

- Blanco 900mm range hood
- Belling 900 5-burner gas cooktop
- Chef electric oven
- Kleenmaid dishwasher
- Microwave space
- Fridge recess
- granite 1 1/2 bowl sink
- Mixer tap with pull-out
- Step in pantry with LED lighting
- Pantry cabinet with internal drawers
- Corner cabinet with 2 internal carousels
- Bin cabinet
- Stone benchtop
- Overhead cabinets
- Loads of drawer space
- Casual meals area

The dining room is huge. On big family occasions you can open up the doors and let the dining room and lounge room flow into one enormous space that brings everyone together. But think of the versatility - not everyone wants the big formal dining and maybe you'll want to convert it into

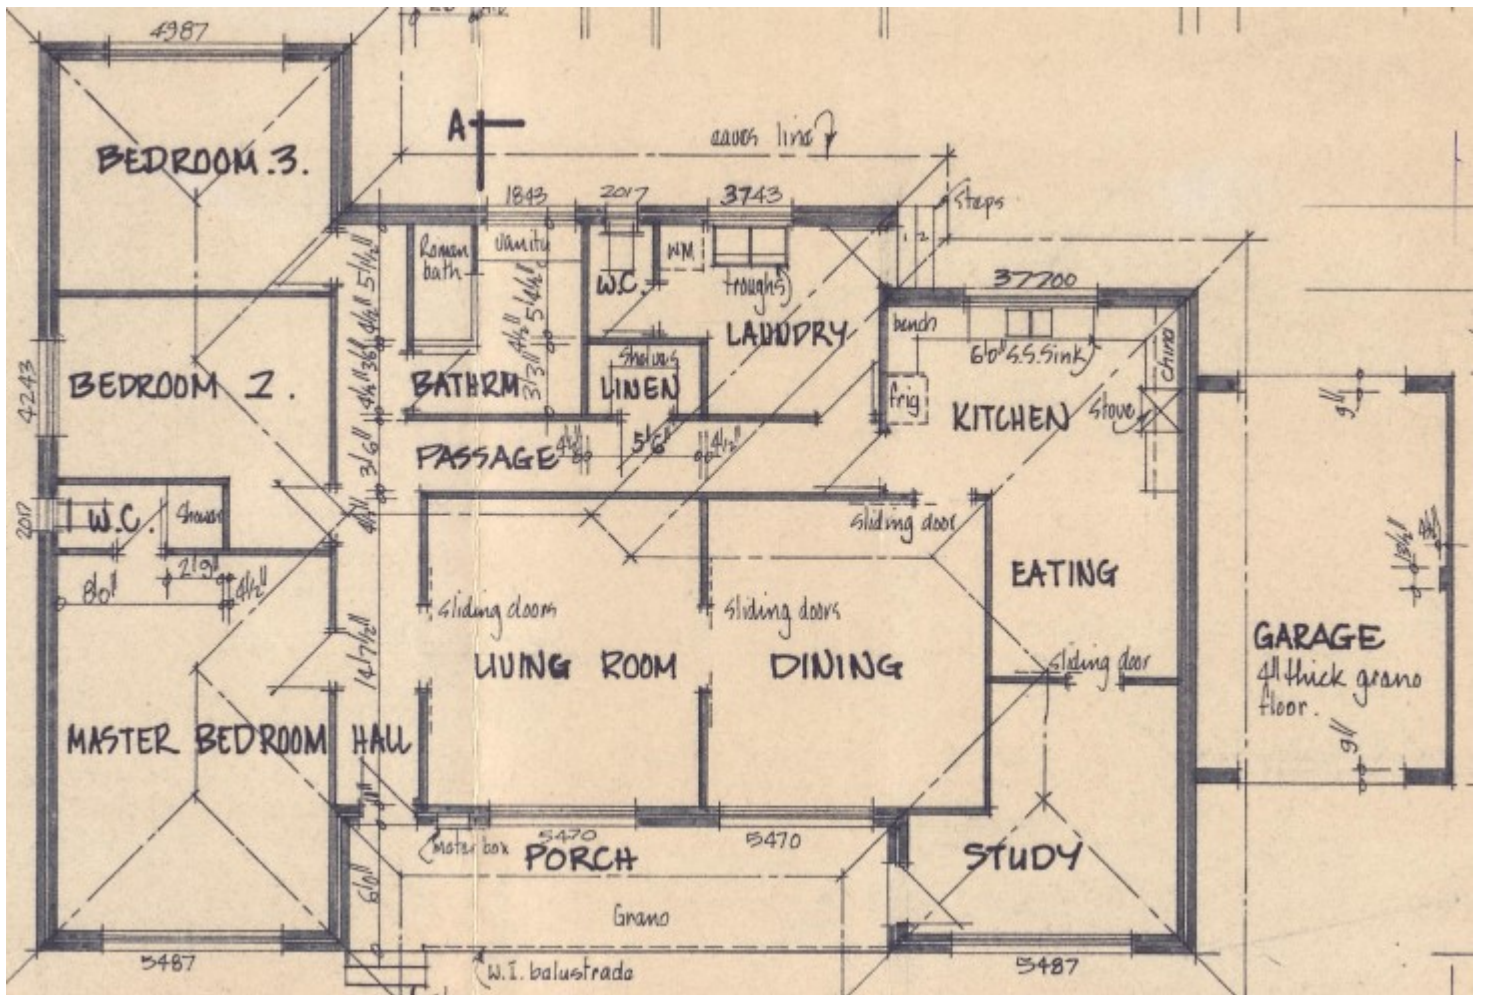

4 BED | 2 BATH | 2 CAR
