CLASSIC BEECHBORO HOME, GREAT SHED, GREAT BACKYARD, NEAR PARKLAND

INSPECT NOW. GREAT FIRST HOME OR INVESTMENT PROPERTY

Neat and tidy 3 bedroom 1 bathroom home on the full block size of 717 m² (approx.) Much more than just a brilliant starter home for first time buyers or young families. This property will rightly attract attention for its investment potential being zoned R20/40. There appears to be sufficient side access to create a driveway and rear block, subject to Council and WAPC approvals. Buyers should make their own inquiries to confirm. Whether you plan to live in and enjoy the impressive backyard space, or put in a tenant and subdivide, this property can set you up nicely for the future. It's very soundly constructed - they don't build them like this anymore.

R20/40 zoning with retain and build subdivision potential

717 m² approx, level and mostly rectangular block

18 metre frontage

Roller shutters to all front facing windows
