PRIME LAND FOR YOU TO BUILD ON

Whisper-quiet location just perfect for those who value privacy. Consider building on this large rear lot in the suburb of Noranda. Get exactly what you want. This level rear lot is huge. 550 square metres plus driveway access leg. And sitting perfectly in a quiet Noranda cul-de-sac near to the popular Luderman Park and walking distance to Morley Senior High. You can have the big home and leave plenty of room for a traditional backyard as well. What an opportunity. It's fully fenced with brand new Colorbond fence all round. All you have to do is pick your builder and get started.

This could be the right piece of land for your dream build. Don't build on a postage stamp block - this is 550 square metres, remember. Great value land for such a big slice of Noranda living. A leafy established suburb well serviced by community amenities, schools, shopping centres, transport options - the lot. Noranda train station is coming. Major access roads like Reid Highway and Tonkin Highway are nearby giving you convenient access to the airport, Swan Valley etc.

Lot 2 (Proposed) is a rear lot (vacant land) - part of a two-lot Strata with an established home on the front lot and a Common Property driveway leg. Strata fees will not apply. Titling of the two lots is underway. Don't waste any more time searching for a block. Just phone Gary Angel of House Proud Realty and we'll arrange your inspection.
