This low-set brick & tile residence has been an investment property for more than a decade but doesn't really look it. Possibility of tenant staying on for the right buyer. If you want to move in, some modernisation would really lift it to something delightful both inside & out.

Ideal for the semi-retiree scaling back from the large 2 level family home, with no steps to climb, and just enough yard to enjoy , without taking away too much leisure time. Perhaps a young family with toddler also suits?

Perfectly positioned to enjoy all close by amenities with easy access to Brisbane City by bus. Day Care & School just around the corner, short walk to park, hospitals are close by too!

Personal circumstances has forced owner to sell!
