THE SIMPLE PLEASURES

3  | 2  | 2 

There's nothing quite like the smell of fresh coffee and the peace of contemplating life while you look out over our slice of paradise on a clear autumn morning as you get ready for your day.

Except perhaps the enjoyment of a cold beer or glass of wine at the end of the day while you watch the sun set dramatically over the western ranges from that same spot. It's the simple pleasures in life that make every day better than the last.

And these are what you can enjoy from the extensive vista views on offer here at 83a Coster St, at a price that won't bust the bank!

Less than 5 years young, this thoughtfully designed home makes the most of the outlook on offer and provides 3 spacious bedrooms flanking the central open plan living. The master suite is especially generous with the "to the floor" picture window enhancing the feeling of being on top of the world.

Secure parking and storage is provided with the single internal access and extra off street parking on the vehicle deck.
