## AFFORDABLE FAMILY HOME, HANDY LOCATION

It's time for a new family to create memories here and to make the most of all the home has to offer. There is an opportunity to add your own touches if you so desire. The home has a good sized living area with a lovely fireplace to keep you cosy over the winter months. On finer days the outdoor areas cater well for relaxing on the deck off the lounge, or the patio, nestled in a haven of plants and shrubs lovingly planted by the previous owners.
