

FOR LEASE

SPACIOUS 3 BED UNIT IN BUNDAMBA WITH OUTDOOR DECK, SECURE PARKING AND ECO-FRIENDLY 6.6KW SOLAR PANELS. LIVE IN COMFORT AND WATER INCLUDED.

Welcome to your family home in the charming neighborhood of Bundamba, Queensland, Australia. This beautiful unit is a rare find, offering the perfect combination of comfort, convenience, and luxury. Its prime location, spacious layout, and impressive features make it a must-have for anyone looking to elevate their living experience.

As you step inside, you'll be greeted by the warm and inviting atmosphere of this unit. The open floor plan seamlessly connects the living, dining, and kitchen areas, creating an expansive living space that is perfect for entertaining guests or spending quality time with your loved ones. The floorboards add a touch of elegance and sophistication, making you feel right at home.

The kitchen is a chef's dream, featuring sleek countertops, modern appliances, and ample storage space. Whether you're cooking a delicious meal for your family or hosting a dinner party, this kitchen has everything you need to make your culinary creations come to life. The built-in wardrobes provide plenty of storage for all your kitchen essentials, keeping your space organized and clutter-free.

As you make your way to the bedrooms, you'll notice the stunning built-in wardrobes that offer plenty of storage for your clothes and personal belongings. The natural light that floods through the large windows creates a cozy and inviting atmosphere, making it the perfect place to retreat to after a long day. The bathroom is beautifully designed, featuring a modern vanity, a luxurious bathtub, and a separate shower.

Step outside onto the deck and be amazed by the breathtaking views of the surrounding area. This outdoor entertainment area is perfect for hosting barbeques, enjoying your morning coffee, or simply basking in the warm sun. The fully fenced yard offers privacy and security, making it a safe place for your children and pets to play.

But that's not all. This unit also offers eco-friendly features, such as solar panels, helping you save money on energy bills while reducing your carbon footprint. And for those hot summer
