UNDER CONTRACT

Queensland Lifestyle Property At It's Finest.....This stunning residence showcases a unique and smart layout to suit all types of families. Designed with the modern Queensland lifestyle and climate in mind, this contemporary light, spacious and open home allows for both privacy and interaction with your family in mind. With an abundance of living space which is complimented by high ceilings, any growing family would be crazy to miss this opportunity!

Situated in a whisper quiet, yet ultra convenient location, this breathtaking home is living at its finest. Beyond the entry, this exceptional home offers a family friendly floor plan and an array of living spaces. With a multitude of quality fittings and finishes, 4-5 bedrooms, 3 internal living areas, 2 bathrooms, oversized storage, inground swimming pool, entertaining area and self-contained shed, all the hard work has been done.

In the hub of the home is the state-of-the-art, chef's kitchen commanding Caesar Stone bench tops, stainless steel appliances, glass splashbacks and ample storage options to appease the most stringent master chef.

Effortlessly transitioning to the outdoor living, you will enjoy private and tranquil entertaining surrounded by low maintenance gardens and overlooking the sparkling inground heated swimming pool, landscaped gardens and breathtaking views over Mt Ngungun.

One segregated accommodation wing of the home consists of a three large bedrooms, an inspired family room, bathroom, and separate toilet. The master wing is positioned in a private location at the other end of the home.

Offering unquestionable quality and finished with the finest of fittings, additional extras of a home of this calibre include double automatic garaging with internal access, reverse cycle ducted air conditioning, walk-in linen press, video security system, blinds, curtains, extended ceiling height, gas hot water and cooking, dual side access, bifold timber doors, and a self-contained, air conditioned three bay shed. The list goes on and needs to be seen to be truly appreciated. Do not miss the opportunity to experience this lifestyle masterpiece.
