CLASSIC 1920'S MULLUMBIMBY HOME WITH A LUXURY MODERN FEEL PLUS A SECONDARY DWELLING

This gorgeous 1920's Mullumbimby home is a perfect blend of old world charm and contemporary luxury. It comes with a young secondary dwelling, fully approved for an income or extra accommodation.

A professional and thoughtful renovation has added stylish features throughout without losing the essence of the classic 1920's era.

The character-filled main home has high ceilings with original polished timber floors throughout, a modern open plan kitchen and living, with French doors opening onto the rear decks. This makes for a very comfortable and livable space.

Two spacious bedrooms with the main featuring an ample walk through wardrobe leading to a stylish modern bathroom.

But wait!....there's more.

Between the main house and the separate cottage at the back, there is a large covered outdoor area providing an enticing entertaining hub. This deck overlooks a sparkling pool and low maintenance gardens.

The cottage at the rear of the property is very private, less than 10 years old, has its own access and is completely independent of the main house.

Enter into a spacious light filled open plan kitchen, living and dining room.

A generous separate bedroom with a walk in robe and modern bathroom.

Undercover parking for two cars plus extra parking on the lawn if needed, two storage sheds and two rainwater tanks

Currently leased to a 'gold class' tenant.

This overall special property has never been impacted by flooding, it's a short stroll into downtown Mullumbimby with everything at your fingertips.
