You will be hard pressed to find a home that has been better cared for, loved and beautifully maintained by the one owner than this impressive property! You will love the quiet, friendly cul-de-sac in popular 'Kingsmore', situated close to shops and schools and a short drive to the beautiful Burleigh Beach. Upon inspection you will see how spacious all the rooms are and appreciate the clever way it allows the parents and kids/guests to enjoy their own private wings of the home. Even the 4th bedroom is cleverly located near the front door, making it ideal as a work from home office if required.
