## "ROSEWOOD"

This immaculately presented 11.3 acre rural oasis sits high and proud on the fringe of the arts inspired village of Stokers Siding. With tranquil mountain views across your fully fenced paddocks, suitable for a few horses, cattle or other small farm livestock this truly is a farmlet for the whole family. The winding bitumen driveway meanders up the block to the very solid double brick family home with high ceilings, slate floors and split level living areas.

There is a massive shed / garage / workshop area for all your handyman needs and the property is serviced by 3 phase power, tons of rainwater storage and a spring fed dam on a cleared paddock below. Overlooking the home and pastures sits a uniquely designed magnesium pool with elevated deck to capture the views and sunsets with a glass of bubbly in the afternoons. There is an abundance of established fruit trees including, but not limited to a variety of citrus, blueberries and even the exotic fingerlimes. All of this could be your new country getaway and is situated perfectly between Byron Bay (35 minutes) and Coolangatta airport (30 minutes) with the bustling Northern Rivers Hub of Murwillumbah just a leisurely 10 minute drive away. Escape to life away from the everyday. Book your inspection of this quality property today.
