Proudly owned and maintained by its original owner, every detail has been thoughtfully considered for comfort, convenience, and long-term quality. With over two years remaining on the Master Build Guarantee, you can purchase with complete confidence.

Step inside and be welcomed by soaring raked ceilings and a light-filled, open-plan living space that draws in the warmth of the sun from its north-facing aspect. The heart of the home is the sleek, modern kitchen—complete with stone benchtops and quality stainless steel appliances—designed so you can stay connected with family whether they're indoors or out.

Sliding doors open to a completely private oasis, the landscaped garden features an automated LouvreTec-covered deck, perfect for year-round entertaining, while built-in speakers and adjustable LED lighting let you set the mood at the touch of a button and Ziptack outdoor blinds provide shelter from the sun or breeze.

Inside, three generous bedrooms offer ample space for the whole family. The master suite is a true sanctuary with a large walk-in wardrobe, luxurious tiled ensuite with oversized shower, and ranch slider access to a pergola-covered spa pool—the ultimate place to unwind.
