LIGHT-FILLED PREMIUM DUPLEX IN THE HEART OF MAROUBRA JUNCTION

Conveniently located between Maroubra Junction's Pacific Square, South Sydney High School, Corpus Christi College, Heffron Park and Westfield Eastgardens, this architect-designed duplex simply oozes space, style, and modern convenience.

Its welcoming modern façade and impressive street appeal flow through inside to a thoughtfully designed floor plan with a bedroom and a full bathroom conveniently located downstairs. Leading up the staircase with its stunning skylight, there are three spacious bedrooms upstairs, with the master bedroom featuring a large walk-in robe, an ensuite, and a large privacy-screened balcony.

Natural light floods the home with skylights even in the main bathroom and ensuite. Whilst the open plan living area with its cathedral ceiling, large double-glazed industrial sliding doors and windows ensures maximum light, heat and sound insulation.

The well-thought-out kitchen is a dream with plenty of bench space and cabinetry, and comes with all Fisher & Paykel appliances. Its family-friendly design flows seamlessly to the landscaped rear garden, offering the ideal setup for outdoor entertaining and child supervision.

The quality of this home is unmistakable with high ceilings, motorized curtain and roller blind, and high-grade timber flooring.
