Whether you're looking to downsize, invest, or settle into something low-fuss near everything you need, this home is a lovely place to land. There's a real sense of ease here — from the quiet surrounds to the comfortable layout — and the location couldn't be more convenient.

Inside, the open-plan living and dining space feels light and welcoming, with air-conditioning and a sliding door that opens out to the patio — making it perfect for both relaxing and entertaining. The U-shaped kitchen offers great bench space, loads of storage, and all the practical essentials, including an electric cooktop, oven, and rangehood. The main bedroom includes built-ins, a ceiling fan, and its own private access into the two-way bathroom — which has a separate bath and shower. Out the back, the courtyard is paved, private, and covered — offering a quiet spot to enjoy a morning coffee or wind down in the afternoon.
