"SECRET GARDEN"

Northern Rivers Property Group Presents Secret Garden

Just under 2 acres , this Beautiful brick home is filled with happiness and warmth, the energy of which is felt miles away.
Invitingly comfortable, especially when positioned in a cosy nook or before the roaring fire. A collection of good books at your fingertips

Through the large glass windows, you can view the flowers and veggies coming through in their multicolour parade in a bursting technicolour garden. This is your place to renew.
Outside the porch beckons with a promise of hospitality. Family gatherings , the kids laughter echoing through the gardens. Splashing in the pool and enjoying each other.

There is a huge shed, which could fit four vintage car projects , all the tools handed down to you from your dad , a few motorbikes and any project your heart desires. There's also a carport attached which can house the his and hers matching cars.

The scenery is calm and serene and you almost taste the freshness of the air. People often wonder what the meaning of life is... it's this.. home.. creating magical moments together. This is what counts.

What are you waiting for?
