Freshly painted in the last few years, this lowset home with distinct 70's features is as solid as a rock. Here the light flows through the entire home, and those breezes are just as nourishing. Polished timber floors are underfoot, and I am told they are even polished under the carpet. We love that the kitchen has been upgraded over the years and our stove/oven only a few years young.

Built-in robes to 2 of the 3 bedrooms make living so much easier here. The drawers and cupboards in the master bedroom are the most gorgeous, well-crafted additions that are clearly a gift from the 70's. Ornate plasterwork, ceiling roses and high-pitched ceilings also add to the appeal. The carport is super handy for the vehicle.

This property is as neat as a pin and is priced competitively for immediate sale. Our seller has had quality tenants in the home since he purchased with a consistent return of \$450pw. Rates are approximately \$3450pa.

Now is the opportunity to purchase vacant possession for your own pursuits or explore the possibility to have a new tenant in by settlement. The last time this home was sold, we have multiple offers, and it was secured within a week. All because its clearly a great 'set-and-forget'.
