17810 KENNEDY HIGHWAY, MOUNT GARNET, QLD, 4872

SOLD

VACANT LAND FOR SALE MOUNT GARNET

Experience the vast potential of this expansive 1,441-acre freehold property located on the west side of Mount Garnet.

Boasting natural native grasses, this rugged land is partially fenced on two sides (possibly on all sides but we are unable to establish this) property features a dam, making it ideal for cattle grazing and off-grid living.

While the property has no power, mains water, or amenities, it offers true country solitude and the opportunity to create your own self-sufficient lifestyle.

Please note, sections of the land show signs of erosion from previous mining activities (mining lease history), adding a unique character to this versatile block. Perfect for those seeking a remote rural retreat or a working cattle run in a pristine native setting.

Agent can not verify if there will be future mining activity on this land, as it has mining leases on it and the agent can not advise any further or future information- please consider your own due diligence and it is at buyers risk.

This land can only be viewed by appointment and for serious buyers only, it rough track country and only parts of it can be viewed.

0 BED | 0 BATH | 0 CAR
