## FULLY RENOVATED ON 3,700M<sup>2</sup> – BIG BLOCK LIVING AT ITS BEST

Tucked away in a prime Morayfield pocket, 103 Bridges Road offers the best of both worlds—peaceful, private living with top schools, major shopping, and easy highway access just around the corner. It's perfectly placed to enjoy everything the Moreton Bay Region and Brisbane have to offer, while still feeling like your own secluded slice of paradise.

Set on a huge 3,700m<sup>2</sup> block, this home has been completely transformed from floor to ceiling to deliver the laid-back lifestyle you've been dreaming of. The backyard is like a private oasis, with a pool surrounded by lush greenery and loads of room for whatever your heart desires. There's even a built-in playground that once lived in a real park – ideal for little ones. Car lovers and tradies will be impressed with the huge extra-height carport, complete with a hoist and space for up to six vehicles, along with solar panels and secure parking for even more in the 5-bay shed (4 doors plus a dedicated workshop) and oversized double garage with extra depth for storage.

Inside, you'll find high ceilings, ducted aircon, two generous living areas, and a kitchen built for serious cooking, complete with plenty of bench space, loads of storage, and a freestanding island that doubles as a breakfast bar. The master suite is privately positioned at the front of the home with a full wall robe and its own ensuite, while bedrooms 2 and 3 each feature built-in robes. All bedrooms are fitted with stainless steel ceiling fans, and with how cold winter is right now, the cozy fireplace positioned right in the heart of the home keeps the entire space warm and inviting without needing harsh artificial heat.
