2913 Springbrook Road, Springbrook

Tucked away within one of Queensland's most treasured natural landscapes, this boutique property offers a rare blend of privacy, character and potential. Currently enjoyed as a weekender, it is surrounded by Springbrook National Park. The property is a true hideaway—ideal for families, artists, creatives, or anyone seeking a peaceful lifestyle immersed in rainforest, wildlife and fresh mountain air.

From the moment you follow the tree-lined driveway toward the residence, you feel the shift—quiet, calm, and secluded. Lovingly maintained and rich with personality, the home invites you in with warmth and authenticity. It has been the place of many memories for the vendors over the last 20 years. As their grandchildren get older, it is time to move on and find new custodians for this unique setting.

Inside, the heart of the residence is its welcoming open-plan kitchen, dining and living area—anchored by a wood-burning stove that sets the tone for cosy winter gatherings. Bi-fold doors extend the space seamlessly to the enclosed entertaining veranda, complete with a bespoke brick pizza oven, perfect for hosting friends and family all year round. It boasts restful views across the lawns to natural bushland. In quiet moments, wallabies and padymelons graze in tranquillity.

Multiple wood fireplaces throughout the home add ambience, while enclosed verandas and lush gardens create casual spaces for sleepouts, reading nooks and relaxed entertaining. With three bedrooms, including a generous master retreat with its own private snug, the home offers flexibility for growing families.

A standout feature is the detached hexagonal snug, currently set up as an additional bedroom/lounge with a fireplace. It's an ideal creative studio, guest retreat, reading room or a boutique holiday accommodation opportunity—perfect for those looking to generate income or design a unique art or wellness space.
