HOLIDAY FEELING ALL YEAR ROUND ON A BUDGET!

Take a look at this one before the interstate owner decides to find a tenant!

Buyers looking for that double lock-up garage to protect the family cars, or simply enjoy some extra storage space will appreciate this townhouse. An internal freshen with paint & carpet will make it just like new again. The complex has terrific amenities and is close to transport, major shopping and offers easy access to both north and south.

The owners are moving closer to retirement, and consider it's time to build up the superannuation account.

What can you buy for this low price today that offers so much living and positioned in a suburb close to the new University.

A quick sale will prevent the owner from sourcing a tenant, so book your appointment Now!
