LIFE AT THE PARK – A WILTON FAMILY RETREAT

Picture this: Saturday mornings, kids run across the road to the park, coffee in hand you wave from your front verandah, and later you're hosting friends in your poolside alfresco while the game plays on the outdoor TV. That's the everyday rhythm of living here....

This isn't just a house. It's a family hub. It's the place where birthday candles are blown out under the alfresco, where pool parties run into warm twilight evenings, and where everyone somehow always ends up gathered around the kitchen bench.

This home isn't just practical. It's personal. It's been designed for families who want comfort, space, and that all-important feeling of connection.

Inside, you'll notice the detail. From the tiled entry through to the expansive open-plan living, there's a thoughtful flow. The formal lounge at the front offers a quiet retreat with plush carpet, surround sound built in, double roller blinds, comfort of ducted air and ceiling fan; the perfect spot for family movie nights.

The master suite is its own sanctuary: ensuite, walk-in robe, ducted air, split-system for extra comfort, ceiling fan, and electric outdoor shutter for privacy and peace. Bedrooms 2, 3 and 4 all feature built-ins, ceiling fans, carpet underfoot, and manual shutters for shade control.

The main bathroom is generous, with a corner spa bath, large shower, vanity, toilet and a 4-lamp heat/fan for comfort. Plus, there's a handy third toilet in the laundry.

The kitchen is where it all comes together. A true entertainer's setup: expansive benchtops, loads of cabinetry, a built-in Westinghouse microwave and wall oven, 900mm cooktop, rangehood, Asko dishwasher, and even a dedicated coffee station. It looks straight onto the entertainer's dream overlooking the pool and the open plan rear family zones, so you'll always be part of the conversation.

The laundry has been updated with cabinets to suit a front loader and ample bench/storage space. Internal access to the double garage adds ease. And then you step outside...
