BETTER THAN NEW

MORE PHOTOS TO COME

Nestle in the small country town of Tiaro you will find this absolute spick and span neat tidy home.

As the saying goes just unpack your bags and move straight in.

Sitting on an easy to maintain 1416 sqm allotment, this 3-bedroom home has undergone a recent make over with new carpet, paint work and electrical fittings just to name a few.

Two bedrooms have built-in robes with the main having a walk-in robe plus air-conditioning and all have ceiling fans.

The large open plan living area is air-conditioned and from here you have the choice to access either of 2 covered decks to sit and have your morning coffee or entertain friends and family.

The well-appointed kitchen provides plenty of bench space, plus ample storage with overhead cupboards and electric cooking.

The design of the bathroom allows for family sized bathtub, extra-large vanity with plenty of storage space plus a shower. The toilet is neatly tucked away in the laundry.

The property offers excellent side access to either gain entry to the back yard or park your vehicles in the fully powered double carport which has been walled in on the southern side to allow for more protection from the weather. Other extras include a rainwater tank, and a garden shed.

The shops, School, Post Office, Hotel and other amenities that Tiaro has to offer are all within a 5-minute stroll. An inspection definitely won't disappoint.

Please call Phil Edmunds to arrange an inspection.

3 BED | 1 BATH | 2 CAR
